

Great Results Guarantee

**Under the agreement for 2015
Redbank State School will receive**

\$135,710*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

By end of Semester 2, 2015:

- Increase by 10 %, the number of students in **Year 1** reading at greater than PM Benchmark Level 15.
- Increase by 10 %, the number of students in **Year 2** reading at greater than PM Benchmark Level 20.

- Increase the percentage of students at, or above the NAPLAN National Minimum Standard from 90% in 2013 Year 3, to 96 % in 2015 Year 5 reading.

Our strategy will be to

- Interrogate literacy/numeracy data to develop how teachers use this data to improve student outcomes.
- Review data regularly using local testing and other measures as identified in the Redbank Data Plan.
- Target specific groups of students by providing them with access to specific intense/research-based intervention and appropriate resources.
- Provide ongoing support to classroom teachers to implement and develop data-driven strategies to improve student outcomes.

Our school will improve student outcomes by

Collect data to monitor and review ongoing student progress, plan for further instruction strategies (assessment for learning) and purchase resources to support this.	\$45 710
Employ key personnel to provide support to targeted students through evidence-based reading intervention program.	\$90 000
<i>Total</i>	\$135 710
